NAME	SUBJECT/PUBLIC SPEAKERS
Leon Faulkner	Present Golf Rocks to Councillors
David Parsons	Probity

**63/14 RESOLVED: (Pickering / Heasman)**

That Council notes and supports the objections of all Precincts in opposing the amended Clontarf Marina DA 183/2012 on the following grounds put forward by the Precincts:

**Part A**

- The marina continues to be a very large and expansive development which will intrude upon and spoil a tranquil, pristine public space enjoyed by the local community and visitors alike
- There is considerable alienation of public space for private commercial purposes
- The expansion of the marina will accommodate large, bulky motorised vessels, rather than smaller boats, which will alter the character of the quiet bay
- The marina will still adversely impact upon the Manly Scenic Walkway, the Recreation Reserve, the beach and the swimming pool
- Sound, light, rubbish and fuel pollution will be increased
- The marina development will adversely affect traffic congestion, parking and noise in an already crowded, narrow cul-de-sac.
- It is an inappropriate development in this long- established quiet residential area and will obscure views across the harbour from the scenic walkway, surrounding hills and from the Reserve.
- It is a proposal which is not in the public interest.

**Part B**

That Council writes to the RMS the Division of Planning and the Crown Lands to express its concerns regarding the scale of the proposed development.
